Departing Picton the first stop is Pataka (food store) for Devonshire Tea....the “best scones ever”. Pataka specialises in New Zealand foods and has a superb range, far too many to list and there are always free samples of local cheeses. They also have fabulous NZ made gifts.

From Pataka we continue the indulging at Makana, boutique Chocolate Factory, more free sampling and purchase your favourite if you desire. I dare you to resist!!!!

Next stop is Sounds Reflections, The Sea Chest. You will go wild here as you explore the amazing range of local crafts and giftware from some of our finest artists. Beautiful Merino Babywear, handblown glass, pottery, canvas art and fashionware. So much to see and far too much to list, a girls toy shop.

Sit back and relax now as we take the lovely scenic drive to Havelock, a picturesque harbour town and home of the famous Green Lipped Mussel. Here you will enjoy lunch at Slip Inn Restaurant in the Marina....don't forget to try the Green Lipped Mussels.

Your day is drawing to an end and time to return to Picton. We take the scenic route back on the stunning Queen Charlotte Drive following the bays and coves around the Sounds.
