

## Pubs of Marlborough 4-4.5 hours

There is more to Marlborough than wine and we do love our vineyards.

Pubs of Marlborough tour takes you to 5 of our iconic pubs, each one an individual with their own quirky ways.

Departing from Picton the first stop is Grovetown. Warm, cosy and very welcoming, Grovetown is a great way to start this tour. Make sure you check out their beautiful beer garden.

Then it is on to Moa Brewery, an International Multi Award winning brewery that brews beer and cider to traditional methods. Situated in the midst of Marlborough's vast vineyards, the perfect location to tantalise your tastebuds.

No Pub tour would be complete without an English Pub and the Cork and Keg in Renwick fills the bill. Exuding warm English hospitality, this pub will be hard to leave.

Be prepared for a huge surprise at your next stop, Dodsons. Renowned for multiple choices of beers from around the globe and boasting presenting 365 different beers in one calendar year makes Dodsons a bit of a dilemma.....where to start???? There is also a wonderful beer garden here with an outdoor Chess game.

Last port of call is back in Picton at the Crow, the oldest Licenced premises in Marlborough the Crow is an oldie but a goody and mine host George is one of life's wonderful characters.

Bucket List Tours NZ believes there is something in this tour for everyone and wish you Good Health on your tour.....Cheers
